

# KidZone Family Camp at Sagehen Meadows

Two nights in a cabin or tent at beautiful Sagehen Meadows eating yummy food while enjoying the great outdoors with your children!

Daily programs are led by experienced scientists, naturalists and educators. Activities include nature art, tracking, stream exploration, birding and more.

*New this year!* Michael Ross, naturalist and prolific children's author from Yosemite will be sharing his amazing gift of being able to teach natural history to both young children and adults. He will also provide an evening program for parents and have a variety of his books available for families.
